

Facials & Peels

MICRODERMABRASION 125

Safely, but aggressively resurfaces and burnishes the skin while significantly minimizing signs of aging and sun damage. Included with this treatment are: an Enzyme masque, MicroCrystals, Vitamin C massage, hydrating masque, moisturizer and sun block. A series of between 6-12 treatments is recommended for best results.

VITAMIN C FACIAL 85

Bolstered with an explosion of Vitamin C, this facial re-texturizes leaving the skin feeling smooth, yet firm and rejuvenated. Amenities included: Enzyme cleanser and masque, Vitamin C massage, extractions, Vitamin C masque, Vitamin C serum, Vitamin C lip treatment, Vitamin C eye cream and sun block.

AGE INTERVENTION 85

Salon Doux's most popular facial: Glycolic acid and enzymes in the Age Intervention facial will help to accelerate the resurfacing process. A cleanser, peel, massage, hydrating masque, a special Age Intervention moisturizer and sun block complete the ensemble of age intervening proportions.

FACTOR-A FACIAL 85

The Factor-A facial combines the power of glycolic, retinol and salicylic acid. Incorporated are a cleanser, peel, massage, hydrating masque, a special Transformation moisturizer and sun block.

REJUVENATING FACIAL 65

Skin refinement, re-texturization, smoothness and hydration are pivotal to the rejuvenating facial. Fade slowly into blissful rejuvenation with an enzyme cleanser and masque, massage, Vitamin C masque, Vitamin C Serum, Factor-A+ Cream and hi-end face sun protectant. (Extractions optional)

Hand Treatments

All too often we forget about adding a skin care regime for the hands to our routine; after all, aging hands add years to the way you look and feel. Salon Doux has 3 hand rejuvenation treatments available to help deter textural changes, dryness and discolouration.

Each treatment has an optional, but very important home care treatment plan that should be used daily to compliment and aid in maximizing the results of the professional treatment.

MEN'S SHAVE FACIAL 65

Designed specifically for a man's skin, the Men's Shave incorporates a steamed enzyme cleanser, a masque and a massage after which the skin is prepared for a close, clean shave.

ENZYME FACIAL 45

This is the perfect facial for patrons on a budget, on the go or teens; the Enzyme Facial boasts immediate improvements in skin texture and clarity with the employment of extractions, an enzyme moisturizer, sun block and two facial cleansers (Bioclean® and enzyme).

AGE INTERVENTION EYE REJUVENATION 20

The "eyes" have it! To help with de-puffing around the eyes, a Vitamin C cleanser, micro-masque, Vitamin C massage and Vitamin C eye cream deliver vital and immediate firming. Bring back smoothness, hydration and a refreshed look to the eyes!

GLYCOLIC RESURFACING PEEL 45

Shorter than a facial, this peel employs the use of glycolic acid.

AGE INTERVENTION PEEL 45

Similar to the Age Intervention facial minus the extra amenities.

FACTOR-A PLUS PEEL 45

Similar to the Factor-A facial minus the extra amenities.

NEW! AGE INTERVENTION "ENLIGHTEN" PEEL 45
